

Valid 7/13 - 8/31, 2017 While Supplies Last. No Rainchecks

Design Snap Poly Folders Poly folders with a snap cover features a colorful pattern to help you create a fun, welcoming atmosphere for young learners. Durable poly construction keeps your important documents safely organized, whether they need to be accessed frequently or filed away for future reference. Heavyweight material prevents your documents from folding or bending for added peace of mind. Poly folder is perfect sorting projects, reports, files and more. AP90000-90007
